*We proclaim him,  
admonishing and teaching  
everyone with all wisdom,  
so that we may present  
everyone perfect in Christ.  
To this end I labor,  
struggling with all his  
energy, which so  
powerfully works in me.*

## Happenings in Kharkov, Ukraine

### TEACHING AT UBI

The majority of this last month for me (Mike) was spent in Donetsk, teaching at the Ukrainian Bible Institute (UBI). If you don't already know, UBI is a branch school of Sunset International Bible Institute in Lubbock, where I graduated from. UBI has been around for about 10 years and is the organization that provides our team's visa invitations. Teaching at UBI is just one small way that I can give back to them for all the wonderful help they provide our team.

For the first three weeks in May I taught the letter to the Galatians. I was teaching the first level students and had 11 in my class. I also had the opportunity to teach in chapel, which I did in Russian.

While in Donetsk, Jay Don and Mary Lee Rogers (the directors of the school) took great care of me! They had me over for several home-cooked meals and took me out to eat a couple of times. Also, Lucy was able to come and spend a weekend in Donetsk with me, leaving the kids behind with her mom in Kharkov.

## Six Years

The weekend that Lucy came and visited just happened to also be our sixth year anniversary. It was a blessing to be able to spend the whole weekend with Lucy and not having to worry about work or taking care of kids. Thanks to Nancy for watching our boys for us!

## Nancy Visiting

Our family has been blessed this month with the visit of Lucy's mom Nancy. She came over to mainly help Lucy out at the beginning of the summer with the boys and housework. Lucy and I both are really appreciative for Nancy taking the time out of her summer to help out in this way.

## Studies

- Andrei - I am still studying with our new brother Andrei on a weekly basis. David is also involved in helping with this study.
- Natasha - We recently began a Bible study with Natasha, but with me being in Donetsk and her leaving the country, we have not been able to meet recently. We hope to meet again and study some time this next week.
- Kevin - My friend Kevin just returned from China. We will be meeting Monday and hopefully set

up a time to begin our Bible study together.

- Victoria - Victoria is a young lady who attends our English assemblies on Sunday. Recently she asked Lucy and I if we could study the Old Testament with her. Since Olivia has more contact with Victoria, we asked her if she would like to do this study. They just recently began their study together.
- English Group - We are still having our English group on Saturdays. We have anywhere from 3-10 people who show up to practice their English and talk about the Bible.

## Upcoming

With the help of our brother Andrei, a few of us on the team are hoping to be able to begin visiting an orphanage on a regular basis. A few years ago in preparation for moving to Eastern Europe, I was trained in [Character Counts](#). I hope to be able to use this material to teach character to the children.

## Birthdays

This last month (May 27) Mike celebrated his 32nd birthday. On June 9 Lucy will be celebrating her 29th birthday.
