

A Beautiful Life

Each day I'll do (*men repeat*) a golden deed; (*repeat*)
By helping those (*repeat*) who are in need; (*repeat*)
My life on earth (*repeat*) is but a span; (*repeat*)
And so I'll do (*repeat*) the best I can! (*Alto/Tenor: the best I can*)

Chorus:

Bass: Life's ev'ning sun (*repeat*)
is sinking low; (*repeat*)
A few more days (*repeat*) and I must go! (*repeat*)
Soprano/Alto: To meet the deeds (*men repeat*) that I have done; (*repeat*)
Where there will be (*repeat*)
All: no setting sun...▲ (*Alto/Tenor: no setting sun*)

To be a child (*men repeat*) of God each day; (*repeat*)
My life must shine (*repeat*) along the way; (*repeat*)
I'll sing His praise (*repeat*) while ages roll; (*repeat*)
And strive to help (*repeat*) some troubled soul! (*A/T: some troubled soul*)

Chorus

The only life (*men repeat*) that will endure; (*repeat*)
Is one that's kind (*repeat*) and good and pure; (*repeat*)
And so for God (*repeat*) I'll take my stand; (*repeat*)
Each day I'll lend (*repeat*) a helping hand! (*A/T: a helping hand*)

Chorus

While going down (*men repeat*)
life's weary road; (*repeat*)
I'll try to lift (*repeat*) some trav'ler's load; (*repeat*)
I'll try to turn (*repeat*) the night to day; (*repeat*)
Make flowers bloom (*repeat*) along the way! (*A/T: the lonely way*)

Chorus
