Songs For Children

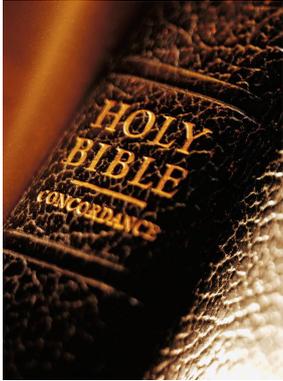

The most sublime truths can be learned through children's songs. I think that this is because the greatest truths are the simplest ones. There are several that come to mind. Among them are: "Jesus Loves Me," "Jesus Loves the Little Children," "Climb Up The Mountain," "Roll The Gospel Chariot Along," and "Be Careful Little Eyes, Ears, Hands, and Feet." I suppose you could write several articles on each of these songs, but let's take a few truths from each one and look at them. "Jesus Loves Me" is probably the most sublime song of which we know. This song tells the truth that it was love that motivated

Jesus to sacrifice himself on the cross for our sins. It tells us that he will take care of our needs. How do we know these things? "The Bible tells me so." All saving truth is found within the Bible and nowhere else. Jesus loved us enough to save us and leave His word so we can follow it. "Jesus Loves The Little Children" is another song which teaches some truths that many need to learn. In Christ, all are one; Jesus loves all men, whatever their race or country of origin. It is sacrilege for us to say otherwise. The apostle Peter declared, "Then Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons: But in every nation he that feareth him,

and worketh righteousness, is accepted with him" (Acts 10: 34, 35). One's country of origin plays no part in how God looks at us. He looks at all men the same—in need of the gospel. When we act in such a way so that we make false distinctions based upon race, we spit in the face of God's plan and dishonour Him. Let it never be said of the child of God that he is a racist. "Climb Up The Mountain" is another great song. This song teaches that everything that exists has been made by God's hand and that it was made for man. This is what we read in Genesis 1.

Children's Songs (Con)

Let us keep these great songs to our hearts always!

God is the creator. The theory of evolution is false; shame on every college professor who convinces these little ones other wise and cause them to stumble. We also understand that God made these things for man. The worldview that the earth is a deity to be worshipped is also false. The earth was given to man by God to be used for man's purposes (Genesis 1:28). "Roll The Gospel Chariot Along"

teaches children the importance of evangelism and helping sinners to repent and come to Christ. Paul wrote, "This is a faithful saying, and worthy of all acceptation, that Christ Jesus came into the world to save sinners; of whom I am chief" (1 Timothy 1:15). It also teaches the necessity of resisting the Devil so that he will flee from us (James 4:7). Finally, "Be careful little eyes, ears, hands, and feet" teaches us the necessity of main-

taining a holy life before God. God does not want us to just behave in any old way we please, we must live lives of holiness before him without which no man shall see the Lord (Hebrews 12:14).

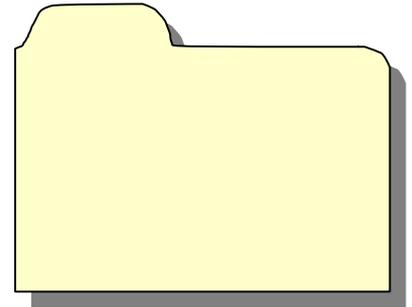

Let us keep these great songs to our hearts always!

Thank You.

We would like to thank all those ladies (And Joe) who took the time to deliver the new news letter to the surrounding area of the building. We were aware that some of the flat stair wells were not the best to walk through. Thank you!

Ricci's Corner. (It does not fit!)

A few months ago (approx 5 months) I came to the determination that clothing manufacturers were making 16 ½ neck shirt sizes smaller than they used to. I was having great difficulty buttoning my top button. I'm sure I'm not the only one who has been affected by this situation, so any of you who have found the same thing, please join me in a letter writing campaign to the clothing industry to inform them they obviously need to adjust the standard they are using for sizing.

Now, I am sure you realize the thing I had to honestly admit was that I had been gaining weight over the last several years and my body no longer FIT the clothes size I was sure I should still be wearing. As I came to grips with the fact it was ME who needed to CHANGE, through modifying my eating habits and now riding my

bike, I can now button those top buttons with ease and may even soon have to buy some smaller shirts. (Don't laugh!)

It has been stated: "People do not usually reject the Bible because it contradicts itself, but because it contradicts them." Though various reasons are give by the world for discounting our rejecting the Bible as the authoritative Word of God, the above statement seems to reflect the most common one.

During the first century of the church Paul exhorted Timothy with this warning: "Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine. FOR THE TIME WILL COME WHEN THEY WILL NOT ENDURE SOUND DOCTRINE; BUT AFTER THEIR OWN LUSTS SHALL THEY HEAP TO THEMSELVES TEACH-

ERS, HAVING ITCHING EARS." (2 Timothy 4:2-3)

When what we desire and what the scriptures teach do not fit together, it is SELF and OUR DESIRES that MUST CHANGE. Shortening or changing God's standard in any way will make it impossible to ever even come close to measuring up to what He desires for our life. With the physical changes I have gone through in the past few months, I am more energized and just generally feel healthier. The same is true spiritually. As we make the changes necessary to MAKING OUR LIVES FIT with God's Word we will find we have a greater enthusiasm for His Will and all around will feel better and stronger spiritually. May we never lose sight of the fact all of God's commands have our best in mind.

Have a great day BEING FIT WITH GOD'S WORD!
